# KEYBOARD SHORTCUTS CHEAT SHEET

## Typing Class

**Shortcut = What It Does — Example**

**Ctrl + C — Copy**
Example: Highlight the word **computer** and press Ctrl + C to copy it.

**Ctrl + V — Paste**
Example: Press Ctrl + V to paste the word **computer** somewhere else.

**Ctrl + X — Cut**
Example: Highlight a sentence and press Ctrl + X to remove it and move it somewhere else.

**Ctrl + Z — Undo**
Example: Accidentally deleted a paragraph? Press Ctrl + Z to bring it back.

**Ctrl + Y — Redo**
Example: If you undo something by mistake, press Ctrl + Y to redo it.

**Ctrl + A — Select All**
Example: Press Ctrl + A to highlight everything on the page.

**Ctrl + B — Bold**
Example: Ctrl + B → **This sentence is bold.**

**Ctrl + I — Italicize**
Example: Ctrl + I → *This sentence is italicized.*

**Ctrl + U — Underline**
Example: Ctrl + U → This sentence would be underlined.

**Ctrl + S — Save**
Example: Press Ctrl + S to save your work.
*Google Docs saves automatically, but this shortcut is important in many programs.*

**Ctrl + P — Print**
Example: Press Ctrl + P when you are ready to print your assignment.

**Ctrl + F — Find**
Example: Press Ctrl + F and type **gecko** to find every place the word “gecko” appears.

**Ctrl + K — Insert a Link**
Example: Highlight “Google” and press Ctrl + K to add a website link.

**Ctrl + Shift + V — Paste Without Formatting**
Example: Copy text from a website and use Ctrl + Shift + V so the strange font and colors do not come with it.

**Ctrl + Enter — Page Break**
Example: Press Ctrl + Enter to immediately begin typing on a new page.

---

**TEXT ALIGNMENT**

**Ctrl + Shift + L — Align Left**
Example: Moves your paragraph to the left side of the page.

**Ctrl + Shift + E — Center**
Example: Great for centering a title.

**Ctrl + Shift + R — Align Right**
Example: Moves your text to the right side of the page.

**Ctrl + Shift + J — Justify**
Example: Makes both sides of a paragraph line up evenly.

---

**GOOGLE DOCS SHORTCUTS**

**Ctrl + Alt + M — Add a Comment**
Example: Highlight a sentence and use this shortcut to leave a comment.

**Ctrl + Shift + 7 — Numbered List**
Example:

1. First
2. Second
3. Third

**Ctrl + Shift + 8 — Bulleted List**
Example:
• Keyboard
• Mouse
• Monitor

**Ctrl + Shift + C — Word Count**
Example: Use this to see how many words are in your assignment.

The four shortcuts you should NEVER forget:

**Ctrl + C = COPY**
**Ctrl + V = PASTE**
**Ctrl + Z = UNDO**
**Ctrl + A = SELECT ALL**

**Challenge:**

Try to use at least **5 keyboard shortcuts today without touching the mouse!**
